FLOOR DEBATE

January 15, 2004 LB 560

SENATOR CHAMBERS: In line 20, beginning with the word "all," this is the language, "All fees collected pursuant to this subsection shall be remitted to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund." Had we not gotten rid of the "Bird Lady of Alcatraz," would you be willing to trust this money going to the State Treasurer's Office?

SENATOR BAKER: Oh, I think they would have had to account for it eventually.

SENATOR CHAMBERS: (Laugh) Thank you. That's all that I had. (Laughter)

SENATOR CUDABACK: Thank you, Senator Chambers. Any further discussion on FA1418? Seeing there are no further lights on, Senator Baker, do you wish to close? He waives the opportunity to close. The question before the body is adoption of FA1418 to LB 560. All in favor vote aye, opposed nay. The question before the body is adoption of FA1418, offered by Senator Baker. Have you all voted who care to? Record please, Mr. Clerk.

CLERK: 37 ayes, 0 nays, Mr. President, on the adoption of Senator Baker's amendment.

SENATOR CUDABACK: The motion was successful. The amendment has been adopted.

CLERK: I have nothing further on the bill at this time, Mr. President.

SENATOR CUDABACK: Any further discussion on LB 560? Seeing no lights on, Senator Baker, did you wish to close on LB 560?

SENATOR BAKER: Yes, Senator Cudaback, thank you, very short. I appreciate the discussion here this morning and the technical nature of some of these things we handle in Telecommunications and Transportation Committee. It stirs a lot of interest and I appreciate that, and we're willing to work with people on this bill between now and Select File. I urge its adoption...or urge its advancement. Thank you.
